Dear Clive

Six months down the line and I feel I must write and tell you how successful the Hospice kitchen has been. We show hundreds of people around the building and they always remark how well laid out and professional it looks. The catering staff love it too!

May I also say thank you for the help you gave with helping to fund the kitchen during the Capital Appeal. It really was most supportive of you.

Here's wishing you every success with your future projects and I look forward to meeting up with you in the near future.

With kind regards
Yours sincerely
